**Erdős, Paul**

*On some problems in graph theory, combinatorial analysis and combinatorial number theory.* (In English)

**Graph theory and combinatorics, Proc. Conf. Hon. P. Erdős, Cambridge 1983, 1-17 (1984).**

[For the entire collection see Zbl 543.00003.]

In this paper I discuss some old problems, most of them due to myself and my collaborators. Many of these problems have been undeservedly neglected, even by myself. I also discuss some new problems.

Classification:

05Cxx Graph theory

00A07 Problem books

05A05 Combinatorial choice problems

11B75 Combinatorial number theory
