LARS-ERIK PERSSON—THE MAN AND HIS WORK

LECH MALIGRANDA¹

Dedicated to Professor Lars-Erik Persson on the occasion of his 65th birthday

Communicated by M. S. Moslehian

ABSTRACT. On the occasion of Lars-Erik Persson's 65th birthday there was organized a conference *Analysis, Inequalities and Homogenization Theory (AIHT)*, which was held at Luleå University of Technology in June 8-11, 2009, in Luleå-Sweden. The first plenary lecture had the title above and here I present an abbreviated form of this lecture.
