## CONDITIONAL MULTIPLIERS AND ESSENTIAL NORM OF $uC_\varphi$ BETWEEN $L^p$ SPACES

M. R. JABBARZADEH<sup>1</sup>

Communicated by D. E. Alspach

**ABSTRACT.** In this paper the conditional multipliers acting between  $L^p$  spaces are characterized by using some properties of conditional expectation operator. Also, we determine the essential norm of  $uC_\varphi$  on  $L^p$  for  $1 < p < \infty$ .
